FOR IMMEDIATE RELEASE

Menomonie Town Hall Meeting

Menomonie— Menomonie’s summer Town Hall meeting series kicked off with its first meeting in May of this year. The next meeting will be held on Thursday, August 10 at the Shirley Doane Senior Center, located at 1412 6th St E, Menomonie, from 6:30-7:30 p.m. City administrative officials will be present to give updates on the status of city projects and answer any questions that the attendees may have.

“As mayor for the City of Menomonie, I encourage all people to participate in open government. These meetings provide citizens direct access to various City leaders and allow the opportunity to learn more about community initiatives. Please join us as we work together to improve the beautiful and vibrant City of Menomonie,” said Mayor Randy Knaack.

All are welcome to attend, though the meeting will be geared towards residents and those working in the city.
